

Cub Scout Programs @ CSR

SOCH Fitness Trail

With 20 activity stations spread out over a 1.5 mile course, the Fitness Trail provides an unlimited amount of activities for your Cubs. From monkey bars to balance beams to the popular sit-up bench, help encourage good exercise habits and make fitness a game your Cubs can master on the Fitness Trail today! Cost: FREE!

Nature Activity Trail

Join in the fun on the Nature Activity Trail, designed specifically for Cub Scouts. Each Cub gets to carry their own Activity Backpack, complete with Binoculars, Bird Song Player, Bug Boxes, Field Guides and a clipboard full of activities! Cost: FREE!

Wildlife Conservation Belt Loop in a Box

After checking out the wildlife on our Nature Trail, your Cubs will be on their way to earning the Wildlife Conservation Belt Loop. This kit includes field guides, photos, poster paper and markers to complete the belt loop in one meeting.

Map and Compass Belt Loop in a Box

A long time staple of the Scouting program is the map and compass, but who really wants to share just one compass at a den meeting? Now available is our Map and Compass kit, with enough compasses for each Cub to try out their own, including a classroom sized demonstrator compass to show your Cubs the basics. Take your Cubs for a hike on our Nature Trail or navigate to the lake, using a compass as your guide! Cost: FREE!

Fishing Belt Loop in a Box

You choose your fishing experience with this new offering! Go back to basics with the Bamboo Pole and Bobber kit, fishing from one of our several special platforms. Or select the more modern Rod and Reel kit, and cast your line from any location around the lake! Each kit provides all the needed supplies including bait, line and poles for up to 12 Cubs. Cost: FREE!

Cub Scout COPE

A team building activity designed just for your Cubs! Led by our specially trained instructors, Cub Scout COPE offers a series of initiative games designed to get your Den or Pack working together. Navigate through the Spider's Web, cross the treacherous Nitro River or even get caught in a Meteor Storm! It's so much fun, they won't even realize they're learning! Length: 2 hours Cost: \$15 per Scout

Archery

A classic activity with a modern twist. Cubs can now enjoy honing their archery skills with our new Genesis compound bows and aluminum arrows! Our specially trained instructors are here to help guide your Cubs into getting that bulls-eye, but still have a blast no matter where the arrow lands! Cubs participating will earn the Archery Belt Loop and returning dens can also select to complete the Archery Sports Pin. Exceptional shooters or outstanding sportsmanship will be recognized by the Range Officer with the Cub Scout Shooting Sports Award! Cost: \$5 per participant

BB Shooting

One of the highlight activities for most Cub Scouts is getting to test their skills on the BB Range. With brand new equipment and quality, trained and caring instructors, this activity will keep them excited and wanting more! Cubs participating will earn the BB Shooting Belt Loop and returning dens can also select to complete the BB Shooting Sports Pin. Exceptional shooters or outstanding sportsmanship will be recognized by the Range Officer with the Cub Scout Shooting Sports Award! Cost: \$5 per participant
