Resident Camp Staff Application

Dear Applicant,

Thank you for applying to be a member of the 2010 Resident Camp Staff at the Citta Scout Reservation. We are looking to assemble an all-star team for this camping season and are searching for the best and the brightest that Scouting has to offer. If you have a high level of personal motivation, strong instruction ability, a desire to guide and mentor Scouts and a penchant for program, then this job is for you.

The quality of our camp staff is what truly separates Citta from other summer camps. It is our staff that guarantees a quality program is delivered to our campers and sets the example for what our campers should strive to be. Above food, facilities, and weather, the camp staff sets the tone for all of our campers and can make or break their experience, thus making it essential that we select only the best to serve on our staff.

Serving as a member of the CSR Resident Camp Staff is a privilege extended to only a handful of Scouts and Scouters each year. During our selection process, we conduct thorough interviews and test the skills of all potential staff members. A special emphasis will be placed on pre-camp training to best prepare our staffers for the season ahead. Staff members can look forward to a weekend retreat at camp in June, as well as various staff fellowship events throughout the year.

Please include as much information in your application as possible and do not hesitate to add any details that we may not have asked for. Feel free to contact me with any questions or concerns via email or phone, both listed below. I look forward to meeting with you and making our 2010 camping season the best yet!

Yours in Scouting,

Ryan Weisbrod
