

Check in Process

- Cars will enter from the FIRST entrance off of Philadelphia Ave. and continue to follow the road around the backside of the lake and up the road to the small back parking lot on the pavilion side of the lake.
- Cars will turn right into the parking lot and proceed to the 4 parallel tables that will be set up in the middle of the parking lot. (just like entering a theme park). Two camp volunteers will be stationed at each table.
- Cars will stop at one of the four tables.
- At this time a camp volunteer will ask for the Scout's medical forms (part A & B as well as the temperature record form). Temperature must be documented on the forms provided for fourteen days prior to the start of camp. If this form is missing from the other medical forms, the scout is not permitted to enter camp.
- Temperature checks will be administered to every individual inside of the car. If the temperature of any occupant of the car is above 100.4 degrees, the scout(s) is not permitted to enter camp and must vacate. Once the scout is cleared, a wrist band will be placed on the scout's wrist (Tuesday through Friday, volunteers will write the day of the week on the wristband to show the scout had their temperature taken) and the car may proceed out of the parking lot, turning right out of the exit and following the road up to the Information tent.
- Cars will stop at the information tent (located at the end of the tree line) and give their scout's name to the volunteer at the tent. The volunteer will tell the driver which den the scout is assigned to and ask the driver to pull forward to their designated den sign.
- Once the driver reaches their scout's Den sign, the driver will be greeted by their scout's Den Walker and asked to sign the scout in on their clipboard. The scout will exit their vehicle at this time and get in line with the rest of their den.
- The driver is then to follow the road back out to Philadelphia Ave and exit camp.
- AT NO TIME SHOULD THE DRIVER EXIT THEIR VEHICLE.

Check out Process

- Cars will enter from the FIRST entrance off of Philadelphia Ave. and continue to follow the road around the backside of the lake and up the road to their scout's den sign on the pavilion side of the lake. Cars will pull up to their scout's designated den sign, give the Den Walker their scout's name, and sign the scout out on the clipboard provided. The scout will enter their vehicle and the vehicle will pull away from the curb following the road out to Philadelphia Ave.

Masks/Face Covering

- Neck gaiters highly recommended for youth members to have by Andrea Palermo, Pediatrician and Scouting Volunteer
 - Bill or Kevin has been looking into Camp Staff?
- Masks not recommended in extreme heat outdoors, in the water, or if it would inhibit the individual's health to do so

- Masks for staff and campers shall be worn when social distancing of 6 feet between assigned groups or dens cannot be maintained.
- Volunteers should lead by example with proper face covering & sanitation measures
- Camp must supply their staff with cloth face coverings and gloves
- Visitors must wear face coverings, unless it would inhibit the individuals health

In-Camp Social Distancing Measures

- Isolate or remove any person with symptoms related to COVID 19
- Face coverings when social distancing across groups cannot be maintained
- Limited Den sizes
- If camp becomes aware an individual tests positive for COVID19
- Groups of campers (dens) remain unchanged day to day, and not allowed to intermingle with other groups.
- Specified Colored Lanyards will make it clear to staff which kids should be together
- Increase breaks and hydration activities
- Adequate postings of signage encouraging hand hygiene, social distancing and COVID-19 prevention materials?
- Exclude symptomatic staff/campers from site (provide isolation area for staff/campers who are already on-site that are exhibiting signs and symptoms)
 - Bathroom in Orange building? "Camp Director's Tent"?

Prohibited Activities

- Contact Spots
- Inter-group competitions
 - "Skills and drills" activities that do not involve contact and can be socially distanced are not prohibited.

Deadline to Register - July 19th

Camp Staff Training

- Required online volunteer training via Zoom
 - Medical Staff Meeting - 7/15/20 @ 6:30pm
 - Camp "Staff" Meeting - 7/16/20 @ 6:30pm
 - Parent Meeting #1 - 7/20/20 @ 6:30 pm
 - Parent Meeting #2 - 7/21/20 @ 6:30 pm
 - In addition to camp operations and responsibilities, discuss basics of emergency first aid, blood borne pathogens, infection control, hand washing practices, PPE, and COVID signs and symptoms

Sanitization

- Hand sanitizer stations at every area in camp
- Hand sanitizer provided to staff

- Cleaning and disinfecting of all surfaces touched, prior to new group's use

Pre-Camp Screening/Measures
