

ANNOUNCING.....

OPERATION HALLOWEEN 2022

Operation Halloween is a wholesome family-fun event provided for our communities by the Rotary Clubs of Southern Ocean County in conjunction with the Boy Scouts of the Jersey Shore Council. It is scheduled from 4 pm – 10 pm on Friday, Oct 21st and Saturday, Oct 22nd at the Joseph A. Citta Scout Reservation in Brookville, NJ.

Operation Halloween has a **Pumpkin Street**, which offers a free hay maze, games, costumed characters and Live Music. Also, various types of food will be sold, along with organizational displays and other Halloween activities. There is no entrance fee to enter Pumpkin Street.

In addition, there is a “non-scare” Hay Ride and pumpkin painting, a Haunted Walk and the “infamous” Terror in the Pines Maze” (formerly Zombie Outbreak). An access ticket is needed for these activities which is \$15 per person. However a \$5 discount coupon is available through various organizations, lowering the price to \$10 per person. (Children age 3 & younger are free.)

While the main purpose of Operation Halloween is to provide a wholesome family-fun activity, groups are welcome to utilize this event as a fund raiser by –

- Distributing \$5 Discount Coupons. A group will receive \$3 for every paid entrance with a discount coupon with the group’s name.
- Sponsor a booth for selling food & items and/or providing a wholesome activity (ex – scare crow making, game), retaining any profit they earn.
- Produce a Haunted Walk Scare, with the group receiving a \$150 commission. *Businesses may also participate by donating their sales profit to a non-profit organization of their choosing.*

Operation Halloween Volunteer Helpers are needed to serve in various ways in the event, such as set-up, clean-up & in the Terror in the Pines Maze (actors, make-up artists & construction workers). Also, financial Sponsorships are a means of participating.

Please respond if you and/or your group/business is interested in participating in this event by completing and returning the information below or for more information, contact -
